

Discovery Award: Scouter's Guide Document

This document is designed to assist Scouters in helping Scouts achieve their Discovery section of the Crean Awards. It provides links, both embedded and text-based, as well as references to the relevant sections of the Scout Book, 'The Spirit of Adventure', that all scouts should have. Please note that the Scout Team produces two versions of their resources, one for Scouts and one for Scouters, with the latter have some additional information especially on guiding the scouts, health and safety, and, reviewing the activity. These links, where relevant, go to the Scouter's Version.
