

# Knots Skills Card

➤ All knots have a purpose and it is just an important to understand what the purpose is, and when the knot is used, as being able to tie it.

Knot	Purpose
Reef Knot	To join two ropes of the same diameter.
Sheet Bend	To join two ropes together.
Figure of Eight	A stopper knot.
Round turn & two half hitches	To attach a rope to a pole.
Clove hitch	To attach a rope to a pole and to start and end a lashing.
Timber hitch	To drag a log and to start a diagonal lashing.
Highwayman's hitch	A slip hitch.
Sheepshank	To shorten a rope or to bridge a damaged section of a rope.
Bowline	To make a non-slip loop.
